

Blanket Sales Orders and Releases

To provide facilities for setting up contracts between original equipment manufacturers and their customers by allowing blanket sales orders with multiple release dates, multiple call-off, and cumulative tracking.

The value of SYSPRO Blanket Sales Orders and Releases

- Filter changes in orders quickly to schedule purchasing, manufacturing and dispatching in order to achieve the customer's request
- Advise customers of the practicality of changes and communicate these changes to internal supplying department
- Provide easy access to quantities delivered and outstanding per contract
- Detailed query provides access to sales order lines, customer information and release history
- Easy reconciliation according to individual quantities or cumes

Audit trails and Reporting

- The Deliveries History report produces an audit trail of all invoices indicating whether they have been received

Matching SYSPRO to your business

- Control the parameters as well as the negotiated contractual arrangements
- Define the number of days before a ship date to allocate inventory
- Review and manipulate requests according to current capacity prior to acceptance
- Allow simple manual and/or EDI receipt of releases and call-offs
- Automated balancing and correction of opening balances
- Extensive visual decision-support comparing existing plans and contractual arrangements before accepting changes
- Recorded new releases manually or through EDI
- Cross reference customer and supplier stock codes
- In-transit figure visible during confirmation phase
- Record notes against a release during confirmation
- On-line release history query by month and year
- The Release Acknowledgements Reports Program lists all confirmed releases

K3 Factsheet

The screenshot displays the SYSPRO software interface for Blanket Sales Orders and Releases. It features a main menu with options like Contract Maintenance, Release Maintenance, and Release Review & Confirmation. A 'Release Master Query' window is open, showing a search for customer '000017' (BMW). Below it, two 'Monthly Cumulative History' reports are visible, one for customer '000017' and another for '580'. Both reports show a table of monthly cumulative values for various items, with columns for 'To Mth', 'From Mth', and 'Quantity'.

To Mth	From Mth	Quantity	
04 Jan	04/09/04	880-2	
04 Feb	03/23/04	880-1	880-2
04 Mar			880-2
04 Apr			880-2
04 May			880-2
04 Jun			880-2
04 Jul			880-2
04 Aug			880-2
04 Sep			880-2
04 Oct			880-2
04 Nov			880-2
04 Dec			880-2

About K3 Business Technology Group

K3 are the world's largest supplier of SYSPRO ERP systems - one of the most widely installed Enterprise Resource Planning applications. Coupling robust, advanced functionality with first-class service and support, K3's scalable, integrated Enterprise Resource Planning (ERP) solutions are designed to address manufacturing, supply-chain, distribution, financial, customer management, human resources and e-commerce needs.

Our customers benefit from local supply and support backed by SYSPRO's global organisation and it is our reputation for excellence in customer service that has led many of the UK and Europe's leading manufacturing and distribution companies to choose K3 solutions.
